

IIT-I convocation: 412 get degrees

TIMES NEWS NETWORK

Indore: The Indian Institute of Technology, Indore, (IIT-Indore) held a convocation of 2020 batch students on Wednesday.

Of the total 412 degree recipients, 170 were present at the ceremony. The 2020 batch comprised 233 students in BTech, 58 in MSc., 57 in MTech, 6 in MS Research and 58 in PhD.

Saptarshi Ghosh from the computer science and engineering department was awarded the 'President of India Gold Medal' for the best academic performance. Srija Te-

terials science were the recipients of the best academic performance

IIT-Indore director professor Suhas S Joshi said, "I am very sure the training you have received from your alma mater will help you stand tall amidst the best in the business. Therefore, keep faith in yourself and your abilities. It will help you to forge your path ahead."

The chief guest of the occasion, professor Amitabha Ghosh, Platinum Jubilee senior scientist at The National Academy of Sciences, India said, "Professional satisfaction is very different from true happiness. True happiness will come only when you feel that you have become valuable and helpful to others who do not belong to your family or friends."

2020 BATCH

wari received the 'Buti Foundation Gold Medal' for the best female student securing the highest CPI among all graduating students of all the two years postgraduate programmes.

Arushi Jain of computer science and engineering, Khushboo Ahuja of electrical engineering, Agam Gupta of mechanical engineering, Shalay Gupta of civil engineering, Ashutosh Gupta of metallurgy engineering and ma-
