

## **IIT-I celebrates foundation day on campus**

TIMES NEWS NETWORK

**Indore:** The Indian Institute of Technology (IIT), Indore celebrated its 14th Foundation Day on Friday.

On the occasion of the Foundation Day, awards were given to faculty and students for Best Research Paper and Best Technology. Outstanding Performance awards were given to the non-teaching staff members.

Professor Suhas S. Joshi, Director at IIT Indore emphasized on the joint efforts of faculty members, research scholars, staff members in the overall development of IIT Indore.

Speaking about the importance of research in the growth of GDP and nation-building, Joshi appreciated the efforts of IIT Indore to develop the translational research ecosystem for innovation and development of cutting-edge technologies.

On the occasion, chairperson board of governors, professor Deepak Bhaskar Phatak encouraged the faculty members, staff and students of the prestigious institute to work hard towards providing technical solutions to issues faced by industries and the society at large.
