

# IIT Indore students to carry out research at RRCAT, MoU signed

OUR STAFF REPORTER  
city.indore@fpj.co.in

Students of IIT Indore will carry out research at RRCAT soon, as a Memorandum of Understanding (MoU) was signed between Raja Ramanna Centre for Advanced Technology (RRCAT), Indore, and Indian Institute of Technology (IIT), Indore on Friday.

Dr Suhas S Joshi, director, IIT, Indore and Shankar V Nakhe, director, RRCAT signed the MoU on behalf of their respective institutes. The MoU was signed in presence of Dr Shovan K Majumder, chairman MoU committee and other scientists from RRCAT, Indore and Dr I A Palani, Prof in

the Dept of Mechanical Engineering and other faculties from IIT Indore.

This MoU has been signed to facilitate PhD students, post-doctoral fellows, B Tech/ M Tech/ M Sc students of IIT Indore to pursue research/projects at RRCAT in the advanced areas of science and technology. The MoUs is expected to result in collaborative research activities in the areas of mutual in-

terest of both the institutes. Under the scope of this MoU, the researchers from both the institutes will be able to explore and carry out research work using facilities and expertise at both the institutes, namely, RRCAT and IIT. The duration of research work at respective campuses would be decided through mutual discussion by the research supervisors on either side.
