

RRCAT, IIT sign MoU for student research

Indore: Raja Ramanna Centre for Advanced Technology (RRCAT, Indore) on Friday signed a Memorandum of Understanding (MoU) with Indian Institute of Technology (IIT) to facilitate students to pursue research/projects in the advanced areas of science and technology.

IIT director Dr Suhas S Joshi and Dr Shankar V Nakhe, director at RRCAT Indore, signed the MoU on behalf of their respective institutes, in presence of chairman of RRCAT's MoU Committee Dr Shovan K Majumder and other scientists along with professor Dr I A Palani (Department of Mechanical Engineering) and other faculties from IIT.

This MOU has been signed to facilitate PhD Students, post-doctoral Fellows, B Tech/ M Tech /MSC students of IIT Indore to pursue research/projects at RRCAT in the advanced areas of Science and Technology. "The MoU is expected to result in collaborative research activities in the areas of mutual interest of both the institutes" a press release issued by RRCTA reads. TNN
