

IIT-Indore to get 5G lab

Indore: IIT Indore is amongst the 100 institutes in India that will get 5G labs as part of the initiative by the department of Telecommunication, a press statement by IIT-I said on Friday.

“The announcement was made today during the inauguration of 7th edition of India Mobile Congress by PM at Bharat Mandapam. The labs are being set up to build competencies and engagement in 5G technologies for students and startup communities. This will facilitate the development and experimentation of 5G applications in various socioeconomic verticals,” the institute said in a statement. IIT-I director Prof Suhas Joshi said “It is a proud moment for the institute for being entrusted with this responsibility.”

The institute will require to train at least 50 students and 10 faculty members in 5G lab. TNN
