

# IIT-I debuts in 251-300 bracket

**Indore:** Indian Institute of Technology, Indore, (IIT-I) is amongst the top ranked Indian institutes in physical sciences as per the Times Higher Education World Rankings, 2018, which was announced on Wednesday.

IIT-I has debuted in the 251-300 rank bracket of the Times Higher Education World. The lead of IIT-I is fol-

lowed by IISc Bangalore. The subjects included are chemistry, mathematics and statistics, physics and astrono-

## TIMES RANKING

my, geology, environment, earth and marine sciences.

IIT-I director professor P Mathur said, "Heavy engagement in research from its ini-

tial days has begun to bear fruit now as seen in the IIT-I position in world rankings."

He added two factors- strong emphasis on state of the art research facilities and a very aggressive policy of identifying and recruiting the best faculty from across the globe- distinguish IIT-I from other institutes. TNN
