

Sanskrit Education Prog Ends At IIT-I

Sanskrit Education Centre programme concluded at IIT Indore's Center for Scientific Indian Knowledge Systems with a certificate distribution ceremony. Students, faculty and staff from IIT Indore, Shubhdeep Ayurveda Medical College, Raavan Ayurveda and local community participated in the event. Professor Suhas Joshi awarded a gold medal to Sayali Santaram Vikhrankar, a bio-sciences and biomedical engineering PhD student, for outstanding performance. Professors emphasized the integration of science and Sanskrit, encouraging scientists to explore untapped knowledge in Sanskrit texts.
