

MEDI-CAPS & IIT-I COLLABORATE FOR DRONE TECH BOOTCAMP

Medi-Caps University, in collaboration with IIT Indore, is hosting a six-day Bootcamp on "Drones and Associated Technologies" from March 1st to 6th, 2024. Inaugurated by Pro Vice-Chancellor Prof. (Dr.) Debendra Kumar Panda and Dean Engineering Prof. (Dr.) Pramod S. Nair, along with esteemed guests including Dr. Vivek Kanhangad from IIT Indore, the event aims to delve into drone operations and image analysis. Led by experts like Prof. Sudhir Kamle, participants explore drone mechanics and cutting-edge technologies, fostering insights into image processing and computer vision. With hands-on training and theoretical sessions, the bootcamp signifies a leap towards innovation in engineering.
