

MEDI-CAPS, IIT-I HOLDS SIX-DAY BOOT CAMP ON AI AND ML

Medi-Caps University, in collaboration with IIT Indore, recently concluded a successful six-day boot camp on 'Smart UAS: Artificial Intelligence / Machine Learning in Communication, Navigation, and Applications.' The boot camp showcased impact of AI and ML in unmanned aerial systems. Distinguished speakers, including Dr Devesh and Dr Sumit, shared their insights on drone technology and aerospace research. Vice-chancellor professor Dr Dilip K Patnaik distributed certificates to participants, while professor Dr Rajendra Kumar Shukla delivered a closing note that resonated with the audience.
