

IIT Indore to hold Open House for JEE (Adv) qualified students

Indore: Indian Institute of Technology (IIT) Indore is going to conduct an open House for JEE (Advanced) qualified students at 2:30 pm on June 15, thus providing an opportunity to know more about the institute. 'Be it campus life, placement, research, international avenues, sports, culture, health, safety etc, all valuable insights about various aspects of the institute would be provided. It will also provide a chance to interact with the director, deans, senior functionaries and student representatives. Such insights and interactions help potential students to understand how the institute can mould them to turn their dreams into reality,' IIT Indore media coordinator Sunil Kumar said.

The event will be conducted online and the details are available on the institute's website. The webex link for the Open House is <https://iiti.webex.com/meet/IIT-INDORE-2024> A total of 9 BTech programmes are being offered by IIT Indore this year. These are Computer Science & Engineering, Electrical Engineering, Mechanical Engineering, Civil Engineering, Metallurgical Engineering and Materials Science, Space Science & Engineering, Chemical Engineering, Mathematics & Computing and Engineering Physics.
