

Seminar on cyber security held

FP News Service

MHOW

A seminar on cyber security was organised at PM Shri Kendriya Vidyalaya IIT Indore, aimed at providing important information to students about internet security and cyber threats. Shalini Patneja, Assistant Professor, Medcaps University, shared her views as the keynote speaker in the seminar. Patneja explained various aspects of cyber security, including how to avoid online threats, how to protect personal data and how to use so-

cial media safely. Pooja Joshi and Divya Borasi, both counsellors, were also present on the occasion. The programme was conducted by Saitesh Kumar Soni, while the Principal of the school, Neelam Malviya welcomed guests by presenting bouquets.

School teachers were also

present at the event. All the teachers and students appreciated the informative session and found it extremely necessary in today's digital age. At the end of the seminar, students asked many questions related to cyber security, which were answered in detail by experts.
