

## Goenka School Students Visit IIT Indore for STEM Exposure

**F**orty students from GD Goenka Public School, Indore, visited IIT Indore accompanied by four science teachers. The trip included interactive sessions led by HR liaison officer Nitin Sharma and assistant registrar Rajeev Pandey, who highlighted IIT's strengths and the importance of STEM. Students toured the physics and astrophysics departments, observed sunspots via telescope, explored 3D printing at the Makers Space, and witnessed mechatronics workshops. The visit provided hands-on exposure, inspiring students to pursue careers in science and technology amidst the campus's scenic surroundings.
