

MHRD RANKINGS OF HIGHER EDU INSTITUTIONS

IIM-I climbs up to 5th, IISER-B to 37th spot

OUR STAFF REPORTER
Indore/Bhopal

Institutions of higher learning in the state performed relatively better in this year's national rankings with Indian Institute of Management Indore and Indian Institute of Science Education & Research (IISER) Bhopal climbing up from 11th to 5th and 56th to 37th positions respectively in two different categories.

While IIM Indore jumped six notches up in the rankings for management cate-

IIM-I climbs...

Besides, IIT Indore shot up from 14th position of last year to 13th position this year. National Law Institute University is a new entrant in law category. It clinched 11th position. MANIT Bhopal figured in Overall, Engineering, and Architecture categories. The only major disappointment for MP was that no university from the state managed to find place in top-100 institutions this year as well.
