look forward to other Indian institutes also attaining a high rank."

Institute's aggressive policy of identifying the best faculty members from top institutions around the world and making appointments after one of the most demanding selection procedures, continues to propel IIT Indore on a steep upward trajectory and clearly as the Top Indian Young institute, he said.

Emphasis on quality research by PhD scholars and rigorous evaluation at all stages goes a long way to produce outstanding research in all areas of science and engineering, Mathur said adding the latest ranking in Young University category is not at all surprising as IIT Indore has already been ranked as being Top IIT amongst all universities in the world.
