

IIT Indore Team Qualifies for ICPC World Finals 2025

The IIT Indore programming team, '404_solution_not_found', secured second place among Indian institutes, 3rd in the Asia-West region, and 72nd globally at the International Collegiate Programming Contest (ICPC). Team members Pilla Venkata Sekhar, Naren Kumar Sai, and Nishkarsh Luthra solved six challenging problems, outperforming top institutions including IIT Kanpur, IIT Delhi, and IIT Bombay. By finishing 9th at the ICPC Asia-West Regional 2025, they qualified for the World Finals in Baku, Azerbaijan, from August 31 to September 5, 2025. PRO Cdr Sunil Kumar (Retd.) praised the students' talent and IIT Indore's supportive academic environment.
