

Special internship for IIM & IIT Indore

OUR STAFF REPORTER
Indore

In a seminar held at IIM Indore on Friday, IOIC (Initiation of Inner Change Centre) invited IIM Indore and IIT Indore students for their special summer internship programme. During this special internship programme, students will be working in rural areas to help empowerment and development in the area.

As per eligibility norms for special internship programme, the applicants must be a pass out of or enrolled in IITs, IIMs, NITs, other reputed engineering and management institutions or well recognised institution of social sciences and humanities.

Special internship of 6 month is being offered with each session starting in January, April, and July each year.
