

IIT AND DAVV FACULTY OFFER TO RAISE VIROLOGY LAB OUTPUT

One faculty member each of IIT Indore and DAVV have volunteered to work in virology laboratory of MGM. IIT Indore assistant professor Dr Hemchandra Jha and assistant professor Dr Dharmendra Singh of DAVV have decided to work from 8pm to 3am in the lab with their PCR machines. This will help in increasing the capacity of lab to around 300 samples per day. The lab is working round the clock and on Saturday, the scientists tested over 200 samples, said dean Dr Jyoti Bindal.
