

IIT and competitive exams

One of the newly formed IIT's of the country, IIT-I, completed its first year in Indore. Though, the new building is yet to come up in Simrol there were some occasional visits by the board members. The competitive examination results came in as a big surprise. Indore had five students from the city making it to the top ten selected in IIT from the state. Also, Indore boy Anurag Bajpai was the talk of the town, as he topped the state at All India Engineering entrance examination (AIEEE) was also highly ranked at the IIT, with 73rd rank. He got an All India Rank (AIR) 22nd in the AIEEE.
