hike throughout all the pandemic in Pre-Placement Offers based on performance, said Head, Training and Placement, IIT Indore, Dr. Abhishek Rajput.

“This has marked an upward

scale altogether in the Ongoing Placement Session at IIT Indore. Computer Science-Software roles, Information Technology, Artificial Intelligence/Machine Learning, Data Science, Circuital roles are the major streams in which jobs are offered,” he added.

Core profiles in the Computer Science, IT, Software, Machine Learning/Data Science domains have been the major highlights for the Campus Placements in the academic year 2021-22. TNN
