

IIT-I invites JEE toppers, parents to campus

● OUR STAFF REPORTER

INDORE

Lionizing itself as a destination for technical education and research, Indian Institute of Technology Indore has attempted to attract students, who emerged with flying colours in the JEE (advanced)-2016.

The institute has invited students who cracked JEE (advanced) and their parents to visit its Simrol Campus to view its state-of-the-art teaching/research labs and other facilities.

The institute will observe June 17, 20 and 22 as an Open House. On these days, students and their parents can tour the IIT Indore campus.

“The visit would include guided tours through the institute facilities, interactions with faculty members and students, and general information sessions,” said IIT Indore.

The institute will organise tour from 11 am to 1 pm.

Buses would be arranged at Bhanwarkuan, Hotel Radisson Blu and Silver Springs to facilitate students/parents visit to and from the campus.

This open house is aimed at attracting students who scored below 1,000 All India Rank in JEE (advanced).
